

Download Free eBooks to your Kindle now!

1. Go to <http://www.mymedimall.net> on your computer.
2. Click on “Sign In”.
3. Choose Glencoe Public Library from the dropdown list.
4. Enter your library card number and click “Sign In”.
5. Find an available library book by searching or by choosing All Kindle under the eBooks heading on the left.
6. Select an available book by clicking “Add to cart”.
7. Click on “Proceed to Checkout”.
8. Click on “Confirm Check Out”.
9. Click on “Get for Kindle”, which will push you to Amazon.com’s site.
10. On the right, make sure the device you wish you wish to deliver to is selected, then click on “Get library book.” (You may need to log in with your Amazon account.)
11. It will say “Thanks!” along with notification that your book has been delivered to your device.
12. Go to your device and sync or refresh. For Kindles, got to Menu and select “Sync and Check for Items.” It will take a few moments for the book to appear in the list. You can also go to Menu and select “View Downloading Items” to instantly view what’s being downloaded and how long it will take.

To return books: You can let them expire on their own or you can return books any time by visiting Amazon.com. Click on “Your Digital Items” in the upper right. Click on “Your Kindle Orders” and you’ll see your list of books. On the right side, there’s a drop-down button of “Actions”. Select “Return this book” and it will be removed from your account.
